5 mm needles,
5 mm circular needle, 40 cm long
Cable needle

Sweater, chest: 102 (112) 122 (132) cm
Sleeve length: 47 cm (all sizes)
Total length: approx. 61 (63) 65 (67) cm

Please note! The sweater can easily be worked to a longer length by adding extra cm before the armhole. Remember that this will require more yarn than listed above – approx. 100 g more, if you extend the body with 1 more cable. Balder works equally well for men. Size M in the pattern equals a men’s size S.

Gauge
16 sts and 23 rows in stockinette stitch on 5 mm needles = 10 x 10 cm.

Special abbreviations
 tbl: Through the back loop. Knitting or purling stitches through the back loop created a twisted stitch.
 M1p: Make 1 purl-wise by lifting the chain between sts onto the left needle and purling it though the back loop.

2. p (RS): 1 selvedge stitch, *k1 tbl, 1 vr*. Repeat from * to *. End with k1 tbl, 1 selvedge stitch.
Repeat these 2 rows until the ribbing measures 7 cm. End on a WS row.

Next row (increases): 1 selvedge stitch, purl 9 (13) 17 (21), **p1, k1 tbl, M1p, k1 tbl, M1p, k1 tbl, M1p, k1 tbl, M1p, k1 tbl, M1p, k1 tbl, p1, k1 tbl**, p16, work from ** to ** once more, p15, **k1 tbl, p1, k1 tbl, M1p, k1

Finishing
Bind off the left front shoulder together with the corresponding back shoulder using the 3-needle bind-off. Bind off the right shoulder the same way.

Neck edge
Place the resting sts at the front and back of the neck on the circular needle. Pick up and knit approx. 1 stitch for each bound off stitch and 3 sts for every 4 rows along the sides of the neck edge. Make sure there are 9-11 sts between the cables at the front and back and that the pattern ribbing will align with the cables. There should be approx. 92 (96) 100 (104) sts on the needle. Work approx. 6 cm of twisted ribbing. Bind off in pattern.

Sew in the sleeves so that the top part of each side is sewn to the bound off sts of the body on each side. Sew the sleeve and side seams.

Rinse the work, put it through a (dry) spin cycle in the washing machine and lay it on a flat surface to dry. Sew on the buttons.
